Australian Owned & Operated

A/C Compressor Kits

Replace it Once

The Easiest & Most Reliable Way To Repair Contaminated Vehicle A/C Systems.

A/C Compressor Kits include all the parts needed to completely restore the vehicle air conditioning system back to new condition.

A/C Compressor Kits include:

- Compressor
- Compressor Oil (68 Grade 500ml)
- Air Conditioning System Treatment
- Measuring Cup (for oil balancing)

- Condenser
- Thermal Expansion Valve / Orifice Tube
- Receiver Drier / Accumulator (where applicable)
- System Guard Strap

Welcome

Summer is not far away – and before things start getting hectic, we want to remind you about a number of our product offerings that can help make your job as a trade professional a bit easier.

Some of these parts and products may already be familiar to you. Others have only recently been introduced so there's a chance that you will be seeing them for the first time. We encourage you to have a good read through, find the parts that you use and take advantage of some attractive price offers.

Read on to learn about:

- **Compressor Kits with 3-Year Warranty:** Enjoy peace of mind with our compressor kits. They contain a new Compressor, Condenser, TX Valve, Receiver Drier, Compressor Oil, Treatment Additive and System Guard Straps. Rejuvenate the full A/C system!
- **Cool Savings on Compressors and Condensers:** Discover fantastic deals on compressors and condensers that will keep your air conditioning systems running efficiently.
- **Introducing Fan Blade Kits:** Discover our NEW Fan Hub and Blade Assembly Kits. These parts are conveniently paired together for ease of ordering. Visit our website to browse the range.

- **Refill Station Bargains:** Whether you're a seasoned workshop pro or looking to add A/C services to your business, we've got irresistible offers on air conditioning equipment.
- **Compressor Tech Tip from Valeo:** Learn valuable insights and tips from Valeo, a trusted name in compressor technology.
- **Electrical Components Galore:** We have more electrical parts than you might realise including alternators, starter motors, sensors, and much more. We're here to power up your vehicles!

Thank you for choosing Natrad Trade as your trusted supplier partner for automotive air conditioning and electrical parts. We're committed to bringing you quality products backed with exceptional service to enhance your business and keep your customers satisfied.

TECHNICAL BULLETIN

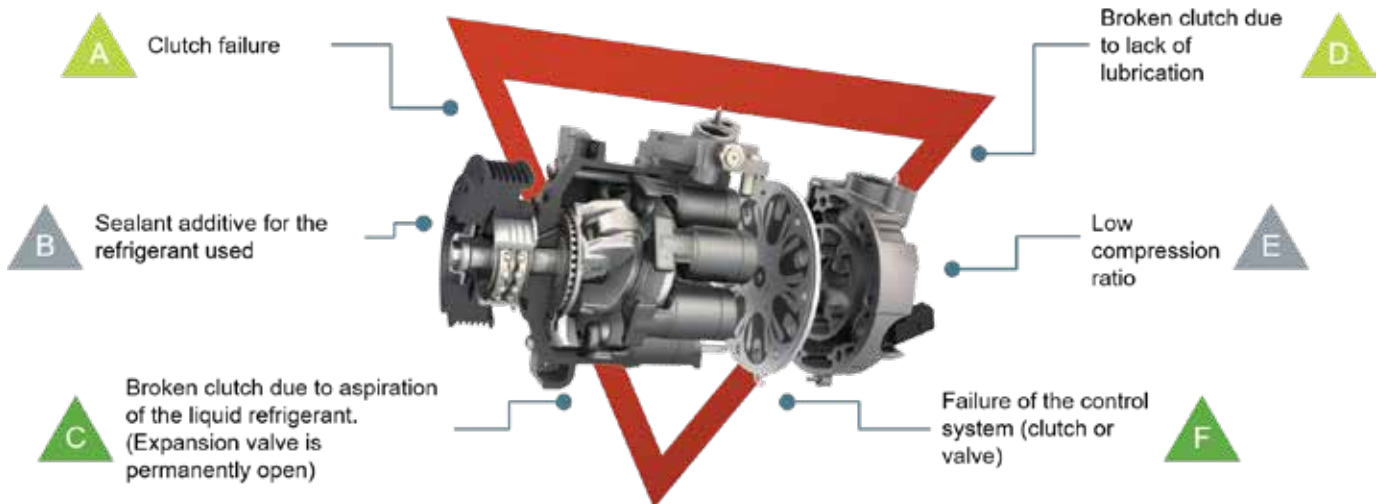

COMPRESSOR

60 years of O.E. experience at your service

Pioneers in the development of the first A/C compressors, Valeo is today recognized as an O.E. expert.

MAIN CAUSES OF BREAKDOWNS

DO & DON'T

1. Check condition and tension of the drive belt
2. Always use the type of oil consistent with the compressor requirements
3. Prior to installing a new compressor, rinse the entire loop
4. If you are installing a new compressor you need to take care of an appropriate amount of oil to be used in the loop (new vs. REMAN one!!!)
5. Check required oil volume in Valeo catalogue
6. Replace O-rings with new ones for each new joint

1. Never fill in the loop with used oil
2. Never supply +12v signal (PWM)
3. Never install a new compressor without rinsing the system
4. Never add oil on a "more or less" basis

ClimFill® Pro

The Most Advanced Valeo Refill Station

The ClimFill® Pro displays outstanding and long-lasting charging performances. The ClimFill® Pro also benefits from its eco-patented couplers preventing any loss of refrigerant and air from entering the station tank.

Features

- Refrigerant recycling
- Automatic refrigerant recovery & injection
- Automatic oil weighing, recovery & injection
- Automative UV dye injection
- Manual operating mode

BONUS!
